

Northern Energy Corporation Limited

# Media Release

15 March 2010

## Community Information Session on Northern Energy's Colton Mine project

Northern Energy Corporation Limited has scheduled two Community Information Sessions for early April and invites the local community and other interested parties to meet with the company and its project team about plans to develop a coking coal mine at Colton, north of the city of Maryborough.

The first session will be held on Friday 9 April from 5 pm – 7 pm at the Maryborough City Hall auditorium, 388 Kent Street.

The second session will be held on Saturday 10 April from 9 am – 11 am at the Burrum District Community Hall, 56 Steley Street, Howard.

Specific notifications, and invitations to nearby residents, will be issued for both events within the next few weeks.

Northern Energy Corporation Managing Director, Mr Keith Barker, said the company was committed to address any environmental and social issues related to the project.

"We invite the community to attend the community information session and meet with the company and members of its project team to discuss any questions they might have," Mr Barker said.
